

KEVIN.MURPHY

RED.CARPET. READY online

Using the technology available at your fingertips to research what's happening on the red carpet, this class will give you insight in how to break down celebrity hair up styling trends and apply them appropriately to a range of clients. Gain knowledge on how to break down a single inspiration image and apply it to meet client's red carpet and formal needs head on. It may be formal season and you need to move fast meeting a range of styling needs. Explore the time saving effect of product choice and good preparation along with the use of KEVIN.MURPHY tools. Sewing hair is an important and time saving skill to help you speed through any event season.

OUTCOMES: Learn how to master the time saving art of sewing hair and how to create the next level of hair ups. Prepare your clients before the season in a range of time saving digital communication tips and tricks that will have you and your clients red carpet ready.
