

BECOME THE HAIR LOSS EXPERT IN YOUR SALON!

BIOREPAIR-8®

SPECIALIST SEMINAR

Hair-loss is the fastest growing retail category in the hair industry. The stats don't lie. 40% of American women suffer from hair loss and thinning.* 85% of men suffer from hair loss by the time they are 50.** Hair loss can be emotionally devastating for both women and men alike. Finally, a solution is here. ColorProof provides a natural, drug-free approach to treating AND preventing thinning hair.
