

COLOR.ME
by KEVIN.MURPHY

START #2 online

An essential class that offers in-depth knowledge designed to further your technical skills, address challenges and deliver the best colour results possible. Our interactive topics include initial consultation, diagnosis, colour selection, advanced colouration, colour correction, colour removal, and troubleshooting.

OUTCOMES: Gain confidence by understanding the techniques, formulations, and knowledge needed to apply directly to colour correction. Explore how to take blonde clients dark and the colour removal processes for clients who wish to go lighter.

HIGHLY RECOMMENDED FOR: Colourists who have completed START #1 and wish to expand their understanding and how-to with COLOR.ME by KEVIN.MURPHY.

LEVEL: Intermediate

COURSE TYPE: Virtual Theory Classroom

COURSE DURATION: 1.5 Hours

DATE: Monday, March 1st, 2021

START TIME: 8AM CST / 9AM EST

COST: \$30
