

KEUNE TINTA- COLORS LIKE NO OTHER VIRTUAL

**MONDAY, MAY 15, 2023
9AM CST. 10 AM EST**

Be prepared to love Tinta Color more than you already do! Because hair healthy is more important than ever. Because we continue to make our products more sustainable. Because we care about you, your clients, and our planet. Backed by 100 years of science and 32 years of Tinta Color success. We proudly present Tinta Color 2023: new exciting shades and shade shifters, more sustainable packaging with a BRAND NEW look and powerful results with the same amazing shine and longevity. This program will provide you with all the information you need to know about the new TINTA COLOR UPGRADE!
