DISCOVER, LEARN & GROW

MASTERING THE BUSINESS OF YOU

Featuring: Jaclyn Beith

Founder of Think Like a 6 Figure Hairstylist

Creative Team Member with Az Haircare

This workshop is geared towards stylist development. Shift your mindset of thinking of yourself as a brand and elevate your client experience. Discuss working with intention and setting rules of hospitality. Discover how to raise your personal standards by setting new goals.

Jaclyn Beith is a passionate hairstylist who adores the client experience, the artistry of hair, and mentoring others to achieve six-figure success. She's a staunch advocate for ongoing education and believes that mindset is the key to unlocking life's possibilities.
