FEATURING ANH CO TRAN

TIMELESS TEXTURED THROWBACK

You are invited to "Timeless Textured Throwback" led by Milbon's Global Creative Director, Anh Co Tran, who will showcase two haircuts on live models.

In this event, Anh draws inspiration from the art and music culture of the '70s and '80s while also adding a modern and timeless twist. Anh will demonstrate professional cutting techniques with the end result being new cuts that feature a progression of textures and layers.

Gain the skills, confidence, and inspiration to replicate professional-cutting techniques from point cutting, dry cutting, styling and marcel usage, and layering techniques.
