BUDAPEST, HUNGARY
JUNE 09/10, 2024

PAST, PRESENT & FUTURE COLLIDE

Kevin and his Global Artistic Team take you on a journey to explore where the past, present, and future of hair collide. Within this concept, we explore our heritage combined with the dynamics through which hair fashion is created and comes to exist in the real world.

A carefully curated team of industry influencers and experts unpack this concept equipping you with all the tools to invent your own future.
