

**COLOR.ME**  
by KEVIN.MURPHY

**pH.D**  
**online**

This class will take you on a digital journey through our innovative product pH.D – the no-lift, no-shift pH transformer. This class helps you to create the most seamless and beautiful results in regards to formulation. Understand the instructions for the best possible result plus gain a deeper understanding on pH.D additive ratios for depositing, tone-on-tone, grey blending, refining or glossing your client's hair.

**OUTCOMES:** Confidence in creating the perfect formulation for your client and personalising your end result while ensuring the hair is left with the highest integrity.

**HIGHLY RECOMMENDED FOR:** All colourist that are new to pH.D and have attended START and would like to extend their confidence on utilising pH.D in the salon.

**LEVEL:** Intermediate

**COURSE TYPE:** Virtual Theory Classroom

**COURSE DURATION:** 2 Hours

**HOST:** ColorMaster

**DATE:** May 3<sup>rd</sup>, 2021

**TIME:** 11:30 Am CST/ 12:30 PM EST
